Introduction

Company Name	:	Tipco Engineering India Limited
Period of Visit	:	20.08.2025 to 22.08.2025
Team Member	:	Ms. Kajal Darade
Visit Hosted By	:	Mr. Ritesh Sharma
Site Name & Address	:	Registered Office and Manufacturing Unit: C/o Kailash Chander, P. No. 1658, Phase I Sector-38, Industrial Estate, Rai Distt., Sonapat, Haryana, Haryana, India, 131029

I undertook the site visit as mentioned above for the proposed SME IPO of Tipco Engineering India Limited.

This report has been prepared with all reasonable skill, care and diligence and summarises the findings from the site visit.

All values quoted in this Report are based on information provided by the Client.

Summary of Business

The company is engaged in the manufacturing and supply of a comprehensive range of machinery, including various types of bead mills (batch type, lab, horizontal, vertical, Tungsten Carbide Pin-Type, Disc Type, Dyno, Ceramic, and Combined Pin and Disc Type), attritor mills, pug mills, basket mills, and high-speed dispersers (lab, twin-shaft, triple-shaft, vacuum, fixed type, and platform type). In addition, it manufactures in-line and in-tank homogenizers, high shear in-tank homogenizers, liquid powder mixing machines, and sigma mixers. The company caters to diverse industries such as paint and coatings, chemicals, printing and packaging, metal, construction and infrastructure, and machinery and equipment. Its product portfolio is broadly categorized into three main series the Mill Series, Disperser Series, and Homogenizer Series.

History of the Company

The Company was incorporated as “*Tipco Engineering India Private Limited*” vide Certificate of Incorporation dated September 30, 2021, as private limited company with ROC Delhi. Mr. Ritesh Sharma and Ms. Sonia Sharma were the initial subscriber to the Memorandum of Association of the Company.

Site Visit Officer

I, the Deputy Manager of Smart Horizon Capital Advisors Private Limited, the Merchant Banker to the proposed Public Issue of Tipco Engineering India Limited, met one of the Promoter, Chairman and Managing Director of the Company, Mr. Ritesh Sharma at the Registered Office and Manufacturing Unit of the Company and examined various documents related to the Company’s operations and Management.

Promoters

Following is the profile of Promoters based on the documents and discussion with the Promoters:

Mr. Ritesh Sharma is the Promoter, Chairman, and Managing Director of the Company. He possesses over 18 years of experience in the machine manufacturing industry and around 4 years in the trading sector. He was appointed as the first Director of the Company on September 30, 2021, and was subsequently re-designated as Chairman and Managing Director on August 7, 2025. He is responsible for production and manufacturing oversight, product design and development, sales and marketing, exports and international trade, finance and budgeting, turnkey project execution, quality assurance, and overall strategic leadership of the Company.

Directors

A Brief meeting on the business of the Company was held. The profile of the Director is given below based on the resume submitted by him to me:

Mr. Ritesh Sharma is the Promoter, Chairman, and Managing Director of the Company. He possesses over 18 years of experience in the machine manufacturing industry and around 4 years in the trading sector. He was appointed as the first Director of the Company on September 30, 2021, and was subsequently re-designated as Chairman and Managing Director on August 7, 2025. He is responsible for production and manufacturing oversight, product design and development, sales and marketing, exports and international trade, finance and budgeting, turnkey project execution, quality assurance, and overall strategic leadership of the Company.

Human Resources

Human resource is the key element for developing a company's growth strategy and handling the day-to-day activities within the organization. According to the company's salary statement which was shown physically at the site visit, there were around 84 employees altogether on the payroll as of July 31, 2025. These employees are responsible for the company's daily operations, as well as its administrative, Compliance and accounting activities.

Shareholders

The following are the shareholders' holding in the Company as on August 15, 2025:

Sr No	Name	No. of Equity Shares
1.	Ritesh Sharma	11,385
2.	Sonia Sharma	3,885
3.	Chander Sawhney	27
4.	Cube Marketing Private Limited	78
5.	Lalit Dua	1,004
6.	Yashpal Garg	257
7.	Veena Rani Sharma	500
	Total	17,136

Business Activities

The company manufactures and supplies a wide range of industrial machinery, including various types of bead mills, dispersers, homogenizers, mixers, and related equipment. Its products serve industries such as paint and coatings, chemicals, printing and packaging, metals, construction, and infrastructure, and are categorized into three main series — Mill Series, Disperser Series, and Homogenizer Series.

Property

I have visited the company's registered office which is taken on Rent from Mr. Kailesh Chander Sharma pursuant to Rent Agreement dated September 05, 2021*.

**Since, Mr. Kailesh Chandra was expired on January 07, 2025 and the company is in the Process of making revised Rent Agreement with his legal heir Mr. Ritesh Sharma.*

Object of the Issue

The Company has planned to utilize the IPO Proceeds from the Issue towards the following:

- (a) Funding Working Capital Requirement of the Company;
- (b) Repayment/prepayment of the borrowings availed of by the Company;

The Management was also analysing the dilution of their current shareholding in the Company through the Initial Public Offer and accordingly, the brief discussion was conducted on the same.

Analysis of other documents and conclusion

During my visit to the registered office, Mr. Ritesh Sharma showed me the office area including their conference room, director cabin, back-end office, sales and purchase department and other departments of the office where other records were kept.

He also took me to the Manufacturing Unit of the Company which is at the same place where the registered office is located. We had also called for the financials, statutory registers and other books of accounts which were kept in a safe place and in good custody.

I was allowed access to all the records and documents which were asked for during my visit to the registered office and Manufacturing Unit which is well maintained with all the necessary appliances and facilities.

I have examined the registers, records, books and papers of Tipco Engineering India Limited. In my opinion and to the best of information and according to the examinations carried out by me and explanations furnished to me

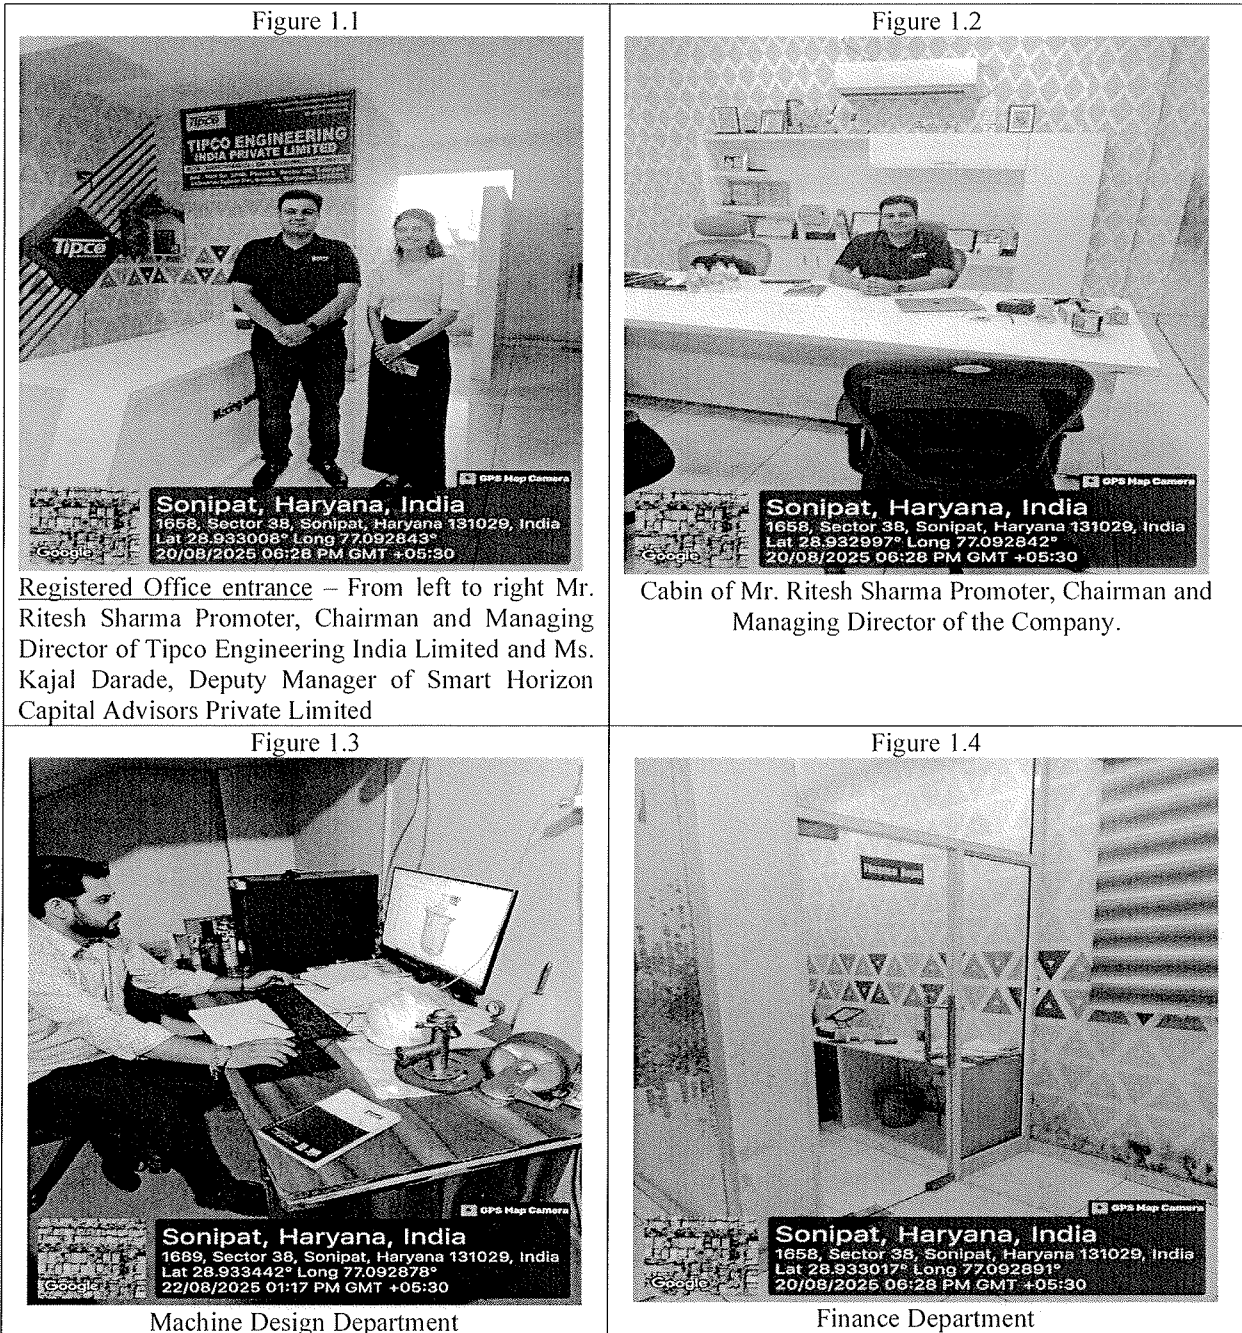

by the company and its officers, the company has kept and maintained all the registers and all entries therein have been duly recorded including the invoices raised by the Company, Agreements and financial related papers.

The company has obtained necessary approvals for the business undertaken by the Company in its own name and everything was found to be in order and in compliance with various laws applicable to the Company.

Mode of Conveyance

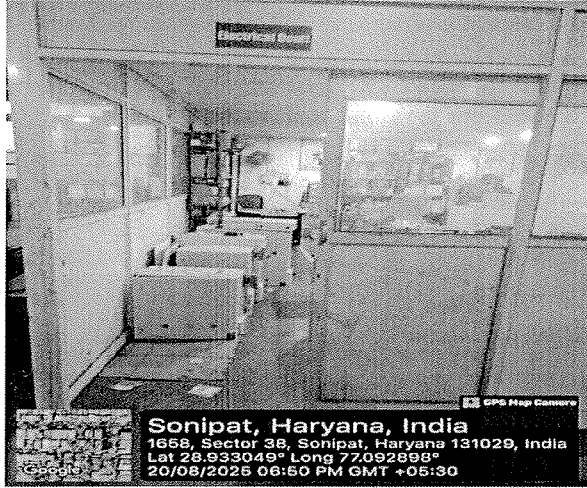

The Site Visit officer had travelled by Flight to the Registered Office and Manufacturing Unit.
